

Human Resources

Â

Ryobi Die Casting (USA), Inc. recognizes that without our diverse and highly motivated team of employees, we would not enjoy the successes that we have since coming to

Shelbyville

,
IN

over 20 years ago.

Â

Therefore, we strive to be an "employer of choice" within the community by offering competitive wages, benefits, and career development opportunities. We are strongly committed to giving our employees the opportunity to develop their skills and abilities through both internal and external training opportunities.

Â

As we look to the future, which holds some significant growth capabilities, we will post positions on this website as they become available. We go to great lengths to ensure that each employee selected is the best possible candidate for each available position. Our screening process may include work history verification, education verification, criminal history search, and social security number verification. Because we are committed to maintaining a safe environment that is free from on the job use of drugs and alcohol, we also have a drug/alcohol screening policy that requires a post offer drug screen, post-accident screening, random screening, and reasonable suspicion screening.

Â

We currently employ over 600 employees including direct manufacturing, indirect manufacturing, and clerical/support staff.

Â

We hope that if you have the opportunity to join our team, that you find it a satisfying endeavor "both personally and professionally.
