

About Us

From the President

Â

Welcome to Ryobi Die Casting's website.Â Since its establishment in 1985, Ryobi Die Casting (USA) Inc., a tier one supplier to the automotive industry, has been in the forefront of meeting the demands of the times.Â As a high-pressure, aluminum die cast manufacturer, we utilize lean manufacturing techniques, and innovative and forward-thinking practices that allow us to shape our future through the continuous enhancement of process development.Â

We strive to produce zero defect products, delivered just-in-time. At Ryobi, quality and safety are our central focus.Â We are held to very strict quality standards through certification of ISO/TS 16949 and ISO 14001.Â In fact, we have been recognized by Toyota earning their "Quality and Delivery" awards for the past four years running (2002-2005).Â In addition we have earned Ford's Q1 rating and were named ZF Batavia's "Top Quality Improvement Supplier" in 2002.Â To safety, it is our goal to provide a safe environment for all of our employees.Â In 2003, we earned the North American Die Casting Association's "Safety Award."

Â

We take great pride in the spirit and camaraderie of the 600 plus professionals ready to bring their unique experiences in producing and delivering top-notch products to our customers.Â What it all adds up to is a synergistic commitment to the products that not only meet the demands of our customers, but also make life more comfortable.Â I hope you will visit our website again soon.
